INSTITUTIONAL STRATEGIC PLAN

The strategic plan is made by Elite Institute of Engineering & Management to fulfil the requirements of Industry and society by providing quality education with well-established infrastructure which leads to students' progression towards technical and social excellence.

The institutional strategic plan comprising of different strategies for the institutional development has been prepared and made available by carrying out systematically strength, weakness, opportunities, challenge (SWOC analysis) of the institute as explained the long term and short-term parameters.

Long Term Goals

- To attain NBA accreditation for all eligible Diploma programs.
- To establish Incubation Centre to facilitate entrepreneurship and create centres of excellence through reputed global industry /MSME collaborations.
- To integrate the academic and R & D programs in collaboration with the reputed industry/MSME collaborations.

Short Term Goals

- To strengthen the Centre of Excellence (COE) in Technology.
- To strengthen Institute/ Industry/ Alumni interaction to enable placements and get increased number of internships
- Participate in AICTE/WBSCT & VE & SD program to upgrade the level of others institute
- Faculty/Students exchange program at the national and international level
- To improve digital evolution in the examination system
- To improve e-governance facilities.
- To improve "e-ATL" and NDLI digital library facilities for the students and faculties to access e-books and e-journals at any point of time, from any location

The Director, Principal, all HOD and stake holders of the institute had several interactions, extensive discussions and arrived at the tentative institutional level SWOC analysis. This institutional level SWOC analysis has been reviewed in conjunction with the departmental SWOC analysis to arrive at a consolidate institute-level analysis.
